Education, Innovation, Results

July 2017 News & Updates

A Shining Star: Xin Yi

Navigating a brand new culture and language could be challenging for anyone, especially a high school student. Yet Xin, who immigrated from China less than three years ago, was determined to succeed.

This fall, the 2017 graduate of East Side House's Lehman High School program is headed to Yale!

Stretching Reading Potential With Once Upon A Summer

"The more you read, the more you know. The more you learn, the more places you'll go." - Dr Seuss

This summer, elementary school students are improving reading skills and so much more. Now in its fourth year, the East Side House and United Way of New York City collaboration is making reading one grand adventure!

Children's Pride Gets A HeadStart on STEM learning

In today's world, STEM (Science, Technology, Engineering and Math) learning is crucial. Preschool students at East Side House programs learn about their world with a little scientific fun. This summer a few special "feathered" classroom guests helped enhance that learning!

Rallying Voices for Literacy

This past month, the New York City Council approved a \$85.2 billion 2018 budget that includes \$12 million in funding for adult literacy classes.

East Side House staff and students were there to speak out on this important education issue.
