June 2016 News & Updates

Congrats, Class of 2016!

June is one of our favorite months of the year here at ESH!

After years of seeing them work hard, struggle, and persevere, this month our students saw the fruits of their labor come to realization: they crossed the stage and received their high school diplomas-

many earning college scholarships!

Community Day 2016

Every year, staff, students, and community members gather together at our Community Day event for an afternoon of fun and celebration of community pride. This year we had something extra special to celebrate: **East Side House reached its 125th Anniversary on June 9th!** Over 500 people came out to learn about ESH

history, enjoy student performances, and set aspirations for the future of our community.

125 Years is a Marathon, Not a Sprint!

This month, East Side House turned 125 years old. For the first time in our history, we are an Official Charity Partner of the TCS New York City Marathon. This November 6th, six dedicated individuals will be carrying the East Side House

torch and running 26.2 miles to help support our young adult education programs.
