Education, Innovation, Results

October 2017 News & Updates

A Shining Star: Abdullah Noman

*"Learning is a treasure that will follow its owner everywhere."
- Chinese Proverb*

Abdullah Noman left his native Bangladesh in search of new opportunities. With the help of East Side House, this science-minded college student is tackling college with big dreams on the horizon.

Get Ready for #GivingTuesday at ESH!

This year our #GivingTuesday campaign is truly on a global level. Funds raised will support a once-in-a-lifetime opportunity for 20 ESH students to explore a world they've only read about...until now!

**Right Now, You Can
[GIVE STUDENTS THE WORLD!](#)**

Special Guests Tour East Side House

Leaders in the art and design world joined representatives from the Winter Antiques Show on tours of several East Side House sites. This special visit

helped our visitors see the dynamic programs this flagship fundraiser, in its 64th year, will support first-hand.

Career Week 2017 Opens Doors to Future

*"The future depends on
what you do today."
- Mahatma Gandhi*

This year's Career Week at Smith Young Adult Borough Center, gave students a chance to truly dive into college and career planning.
