*Education, Innovation, Results*

## August 2018 News & Updates

### A Shining Star: Matthew Singh

"As we let our own light shine, we unconsciously give other people permission to do the same."

- Nelson Mandela

When Matthew accepted a slot in East Side House's Student Ambassador Program, life changed. Discovering an untapped passion for leadership, he suddenly began to envision an incredible future for himself. This summer, he was selected by Global Citizen as one of only six American teens to travel to South Africa for an unforgettable leadership experience.

### Stem-Plooza 2018 Thrills Summer Students

Hands-on learning and summer fun are all a part of developing STEM (Science, Technology Engineering, and Math) skills in students. This summer, children from all ESH community centers showed off their learning at Stem-Plooza.
